Labor Law Posters Mandatory Update 2010

The new Federal law change known as The Genetic Information Nondiscrimination Act, GINA, will be going into effect November 21, 2009 and will impact employers that have 15 or more employees.

The All-In-One labor law poster and the federal labor law poster will be updated to reflect the new GINA mandatory change. 2010 *state changes* will also be made on these posters.

We are currently accepting pre-orders for the All-In-One labor law poster with both the state 2010 changes and the New Federal GINA law change and the Federal labor law poster with the GINA change. This way, you can have the posters taken care of for 2010.

Posting of these changes is **MANDATORY**.

If this is your first time to order from MMCA, we recommend you order both state and federal posters to ensure compliance with both state and federal laws.
