

New CSA Regulations are strict.

They not only affect your driving status but can affect your ability to obtain good loads.

We want to be your partner in this industry!

Driven to keep you driving.

With complex and ever-increasing regulatory demands, Missouri Truck Services (MTS) simply eliminates your worries. Our expert assistance and guidance provides peace of mind in knowing your operation is compliant. We are driven to keep you on the road and focused on your business's bottom line.

Proven Expertise

The MTS team has decades of experience working within the Missouri Department of Transportation, for private businesses and with the Missouri Trucking Association. Our comprehensive capabilities can provide you with a single-source solution for all your regulatory and compliance needs.

Powerful Relationships

Long-standing professional alliances with Missouri and Federal agencies enables MTS to deliver business-building results. We have established relationships with the key industry regulators and, as an association-based independent service provider, our sole priority is your business success.

Unmatched Resources

The MTS staff is dedicated and committed to giving 100 percent to you. For decades, the Missouri Trucking Association has been devoted to serving the needs of the trucking industry and this same passion is the foundation of our success with Missouri Truck Services. Unlike others in the business, MTS can provide a comprehensive approach to a trucking company's unique needs because of our expertise in all areas of an operation. We are responsive, we are attentive and we are committed to providing unmatched attention to detail and customer service.
