Truckers Against Trafficking

Prevention and Intervention: Combating Human Trafficking Through the Trucking Industry
Human Trafficking in the United States
The exploitation of human beings through force, fraud or coercion, for the purposes of commercial sex or forced labor, wherein a third party is making a profit.

Human Trafficking is:

MODERN DAY SLAVERY
Sex trafficking is **forced** prostitution. Any minor engaged in commercial sex is a victim of sex trafficking.

Any adult who is selling sex **under someone else’s control** (i.e., a pimp), is a victim of sex trafficking, no matter their age.
Human trafficking generates $9.5 billion yearly in the United States. *(Federal Bureau of Investigation)*

The average **age of entry** into prostitution for a child victim in the United States is **13-14** years old. *(U.S. Department of Justice)*

Approximately **100,000 to 300,000** children are at risk of being prostituted in the US each year. *(National Center for Missing and Exploited Children)*

The average victim may be forced to have sex up to **20-48** times a day. *(Polaris)*

THE WOMEN

90% of women in the sex industry were sexually abused as children.

70% of interviewees in a study by Silbert and Pines noted that childhood sexual abuse had an influence on their entry into prostitution.

70% of females who are trafficked are trafficked into the commercial sex industry (This includes Porn, Strip Clubs, and massage parlors in the US).

89% of women in the sex industry said they wanted to escape, but had no other means for survival.

Women in the sex industry experience Post Traumatic Stress Disorder at rates equivalent to veterans of combat war.
TAT's Mission:

- Professional truck drivers:
  - Are the eyes and ears out on the road
  - Are trained to be vigilant/observant
  - Intersect with victims
    - Travel plazas/parking lots
    - rest areas
    - city streets
    - bus terminals
    - gas stations
    - places of business
    - hotels/motels
Truckers Against Trafficking (TAT) seeks to educate, equip, empower and mobilize members of the trucking industry to combat human trafficking as part of their regular jobs.
TAT's Goals

- Saturate the industry with TAT materials.
TAT’s Goals

- Marshal the resources of the trucking industry to combat this crime.
TAT’s Goals

- Partner with law enforcement to facilitate the investigation of human trafficking.
  - Calls and Tips
  - Scouting/Intel
  - Building Coalitions
National Hotline: 1-888-3737-888 (Multi-Lingual)
1-800-222-TIPS (Canada)

Report by Email: nhtrc@PolarisProject.org

Warning: Please do not approach traffickers. Call the hotline, and if instructed, the local police (911). Allow law enforcement to deal with traffickers and rescue victims. Approaching traffickers is not only dangerous for you and their victims but could lead to problems in the eventual prosecution of traffickers. Also, if at a truck stop/travel plaza, please notify the manager-on-duty of the suspicious activity; she/he needs to be aware of what is taking place on the lot and assist in ending it.

Human trafficking is modern-day slavery. Traffickers use force, fraud and coercion to control their victims. Any minor engaged in commercial sex is a victim of human trafficking. Trafficking can occur in many locations, including truck stops, restaurants, rest areas, brothels, strip clubs, private homes, etc. Truckers are the eyes and the ears of our nation’s highways. If you see a minor working any of those areas or suspect that the person selling sex is under someone else’s control in order to make a quota, call the National Hotline and report your tip:

1-888-3737-888 (US) • 1-800-222-TIPS (Canada)
Text INFO or HELP to BeFree (233733)

For law enforcement to open an investigation on your tip, they need “actionable information.” Specific tips helpful when reporting to the hotline would include:

- Descriptions of cars (make, model, color, license plate number, etc.) and people (height, weight, hair color, eye color, age, etc.) Take a picture if you can.
- Specific times and dates (When did you see the event in question take place? What day was it?)
- Addresses and locations where suspicious activity took place

**Make the Call, Save Lives.**

**Questions to Ask:**
- Do you keep your own money? If not, who does?
- Do your parents/siblings/relatives know where you are? If not, why not?
- When was the last time you saw your family?
- Are you physically or sexually abused? Are you or your family threatened? What is the nature of the threats?

**Trafficking Red Flags to Look For:**
- Lack of knowledge of their community or whereabouts
- Restricted or controlled communication—not allowed to speak for self
- CB chatter about “commercial company” or flashing lights signaling “buyer” location
- Not in control of own identification documents (ID/passport)
- Any acknowledgement that she/he has a pimp and is making a quota
- Signs of branding or tattooing of trafficker’s name (often on the neck)
