Team Champions
FedEx Freight Inc.

Over 600 on-lookers at the Awards Banquet Saturday evening saw **Bruce Brewen** of Valles Mines, MO, receive the prestigious "Grand Champion" title as Missouri's best of the best. Bruce, a driver for Hogan Transports, Inc. of Earth City, MO achieved this recognition by achieving the highest point differential above the average within his class in all three elements of skill and knowledge.

Sponsored by the
Missouri Trucking Association's
Council of Safety Supervisors

June 1st & 2nd, 2018, the Missouri Trucing Association hosted the 51st Annual Missouri Truck Driving Championships at the Branson Convention Center

The two-day event, sponsored by the Association's Council of Safety Supervisors, evaluated 166 drivers on a written test of their knowledge of the industry; safety and security; first aid; and fire safety. Another segment of testing included hands-on required pre-trip vehicle inspections. The participants then competed on a point-value-assessed driving skills course of six obstacles completed under actual everyday conditions. In their respective classes, drivers tested their expertise in the driving skills they use daily. The skills course tested drivers' ability to judge distances, maneuver tight spaces, park and position their vehicle exactly over scales, before barriers or around curves.
